# EQUIP

Live the life that God has called you to  
and find ultimate purpose and satisfaction  
in all you do - this is Equip.

# EQUIP part two

The heart of EQUIP is reflecting on a few simple truths and allowing them to deeply impact and shape our lives.

In the first session, we thought about one simple truth - What is the gospel? From creation through fall and redemption to new creation, this is the story of our world.

In this second section of EQUIP, we are now going to think about a second simple truth - What is a Christian? This question takes us not to the story of our world, but the story of our lives. Who are we, really? Do we know ourselves?

Just like our first question this seems very simple, yet we are going to see that the answers are deep and life-transforming.

In this new section we are now going to take a slightly different approach. Rather than look at passages from across the whole of the Bible, in this section we are going to look at the first four chapters of the book of Romans. Romans is a foundational book for any Christian and we aim to equip one another by spending time here.

The journey of self-discovery could be an exciting one for each of us. Why not ask God to use this part of his word, over the next few weeks, to deeply equip us for lives of discipleship?

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work.

Apostle Paul - 2 Timothy 3:16-17
