
EQUIP

Live the life that God has called you to
and find ultimate purpose and satisfaction
in all you do - this is Equip.

Why EQUIP

Stand in the future. Mentally transport yourself to a future point in time. It might be five years from now or ten years - but pick a date. Now look around.... what would you like to see? If all your hopes and dreams have been realised, what does your life look like? What have you built? What have you achieved? What have you done for the Lord?

In many aspects of life, we have goals and ambitions - plans for a career that we are pursuing, plans for where we might live or memories we might have created - but how often do you think of a whole-life goal? More than that, how can you work out what that goal might be and is it possible to accomplish it?

Equip is a year's undertaking for us at Christ Church Truro. We will be coming back to God's word and learning afresh His priorities for His world, His church and for each one of us as we ask in new ways, what is the Gospel, a Christian, a Church? Week by week, we will build up a picture of our unique life goal. Equip will then help us to take that goal and see how we can begin to make it a reality.

"The thief comes only to steal
and kill and destroy;
I have come that they may have
life, and have it to the full."

Jesus Christ - John 10:10

Half Term Timetable

Introducing EQUIP - Starbucks Truro
7:30pm Thursday 8th September

In the beginning - Small Group Session
Week beginning 11th September
