1. All Hallows Buildings Development Update - Marc/ Martin	Latest plans were reviewed. Communication with the congregation is arranged for the 2nd June - Can we make the Q&A a bit more of a narrative. - Can we call the crèche a multi-use space.	Marc	27 May
	Need to have the confirmation that we can raise the bells before the plan can move ahead. This needs to be explained as part of the presentations.	Marc	27 May
	Feedback to go to the buildings group on the current design - Question about toilets and the vestry using a dead space and would be more discreet. - Loss of the shelter for people outside for when the church is not open. - The entrance is also an exit and that makes the welcome harder. - Using the new screens - are we certain they will be big enough to see clearly. - Does the toilet need to be so large. - We considered the compromises of this plan, the possibilities for the extension. Keep drumming home the core message that this is about making the church better for families. We need to expect people to come with their questions and feedback. In addition we agreed to ask bell ringers to ring earlier and finish earlier on a Sunday before the	Marc	
2 Alpha Drograss	service.		
2. Alpha - Progress Update - Fenella	Lucy and Martin updated the group and were encouraged by how the work was going.

3. Parenting Course - Progress Update - Heather	Katherine is looking at courses - we looked at the family caring trust course as well as Care for The Family and the HTB materials. Plan is to run the new group in September with a focus on those coming to Stay and Play. Introduction session on play, then invite people to 8 further sessions. Limit the places on the course to 12 and a team is being put together.	Katherine Walker	September
4. Skyriders Update - Martin	Started with 2 and have had 8 at All Hallows. Starting to see some kids bring friends. Steve is running it very well.		
5. 2020 Development Plan	Marc distributed a draft outline for discussion - see attached. Various suggestions and amendments were made. Marc to amend to include 'ongoing' as well as 'current' and 'future' developments see attached for further discussion.	Marc	In advance of next meeting
	Communication of who is doing what in the church. Could we put pictures of the different people doing different things (with their roles) on the website or on noticeboard in church?	Marc to discuss with Ruth	Summer 2019
