

### **Wisdom for living**

Each of us are making decisions all day, every day and in each of those decisions wisdom and folly call out to us. As we move into chapter nine of Proverbs this week we'll seek to be equipped to walk 'the way of wisdom'.

### **Start with prayer and then read Proverbs 3:13-20**

In what ways is 'Lady Wisdom' described in these verses? And what is the result of finding her?

How have you seen this to be true, as a general principle?

### **Read Proverbs 9:1-6 and 13-18**

What do you notice when you compare and contrast these two passages?

What is similar? What is different?

How good a hostess is Lady Wisdom?

What can Lady Folly offer?

How are these pictures helpful in navigating life? What might an example of visiting these two houses look like?

### **Pray in the passage**
